

Reno American Little League

Reno, Nevada

Charter No. 428-01-07
Tax ID # 88-0136675

Dear Future Little League Sponsors,

The Reno American Little League Board of Directors thanks you for your support of our league through the purchase of an outfield sign.

Our outfield sign program is a significant portion of our fundraising efforts. By purchasing an outfield sign, your contribution benefits the children in the league and exposes your business to families in Northwest Reno. Signs are professionally made and placed at one or more of the four fields during the spring and fall seasons, ensuring exposure to hundreds of local residents.

The cost for an outfield sign is:

One year (spring and fall) \$ 180.00

One year plus a business card size ad in our program \$225.00

Please use the attached form to specify your level of support for Reno American Little League.

Like all little league organizations, Reno American Little League is a non-profit entity and contributions are tax deductible. All money raised assists our local league in providing the best and safest playing environment for the kids. All improvements are organized and done by the board of directors, coaches, families and friends of the league. In recent years, we were able to install field lights, sod, scoreboards and a flagpole at Terrace Sports Complex. Advertising and direct contributions are greatly appreciated by the kids, families, coaches and the board of directors of the Reno American East and West Little League.
